

AMERICAN COLLEGE OF  
OCCUPATIONAL AND  
ENVIRONMENTAL MEDICINE

**“Bring your colleagues  
into the network!”**

ACOEM is the pre-eminent organization of physicians who champion the health and safety of workers, workplaces, and environments.

## Incentive Program for ACOEM members to recruit new members

There are many physicians who practice occupational and environmental medicine but who are not members of ACOEM. **To bring these physicians into the network, we need you, as a member of ACOEM, to help us locate these physicians and get the word out.**

***Objective:*** To increase membership by providing an incentive for current members to actively recruit physicians to join ACOEM.

***Incentive:*** ACOEM members will receive an incentive payment for each new member they recruit. Incentives will be paid for recruiting physicians who have **never been members of ACOEM, or who have not been a member since 2003**. Incentives will be paid only to ACOEM members and only for recruiting full dues-paying Physician Members, not Affiliate, Associate, Retired, or Student/Resident members. The incentive payment is a **\$100 credit** toward any ACOEM course, conference, or ACOEM product for **each new member recruited**. The maximum payment to any ACOEM Member in 2008 is \$500.

***Procedures:*** The **New Member Application Form** is on line at [www.acoem.org/uploadedFiles/Member\\_Center/memberapp.pdf](http://www.acoem.org/uploadedFiles/Member_Center/memberapp.pdf). Then, download the Application Form and **print** your name on the top above **“2008 APPLICATION FOR MEMBERSHIP,”** so we will know to whom the incentive should be awarded! Print out several forms and give them to your non-member colleagues and tell them how valuable ACOEM will be in their career. To help you in your recruitment efforts, see **“Increasing the Value of Your ACOEM Membership”** at [www.acoem.org/gettinginvolved.aspx](http://www.acoem.org/gettinginvolved.aspx). (This link will also take you to the **Member Center** where there is a good summary of the Member Benefits.)

Once a qualifying physician returns the Application Form and joins ACOEM for 2008, you will be credited \$100!

We can help! If you e-mail the names and contact information of the colleagues you are getting in touch with, we will mail them additional membership information and answer any of their questions. And, **you** will still get the credit—as long as you tell us who they are!
